Candidates are accepted from post high school. Couples that are married are highly encouraged to attend the weekend with their spouse. A young adult who has gone thru T.E.C. will only be accepted as a candidate if we do not have a waiting list. We encourage them to apply for a team position. The cost of the weekend is \$60 for individuals, \$100 for couples (make checks payable to YA-TEC—checks will not be cashed until after the weekend). Full or partial scholarships are available based on need; arrangements for scholarships must be made prior to the weekend. Candidates are expected to be present the entire weekend (Friday 10 a.m. to Sunday evening).

I recognize that churches and denominations have varied views on who may partake of communion. I understand that communion will be served at the YA-TEC weekend and also understand that it is my decision whether or not to partake.
